

MILLENNIUM CHAIN

Quality Australian made and manufactured products
built over a lifetime of experience and care.

Introducing Millennium Chain's 'New Product Catalogue'

Our latest catalogue showcases our newest range of quality machine made chains and bracelets, name pendants and Omega's. Together with this we are also proud to introduce our latest addition to the Millennium Chain product range, our new Silver Filled Collection.

With our popular Two Tone catalogue and our exciting Sphere Collection catalogue this extends our product range to one of the largest in Australia and a leader in our field.

Millennium Chain now has an even stronger focus on providing quality products at the most affordable prices. Our products are designed, created and manufactured in Australia. We pride ourselves on growing and broadening our products and services to meet the needs and demands of our customers.

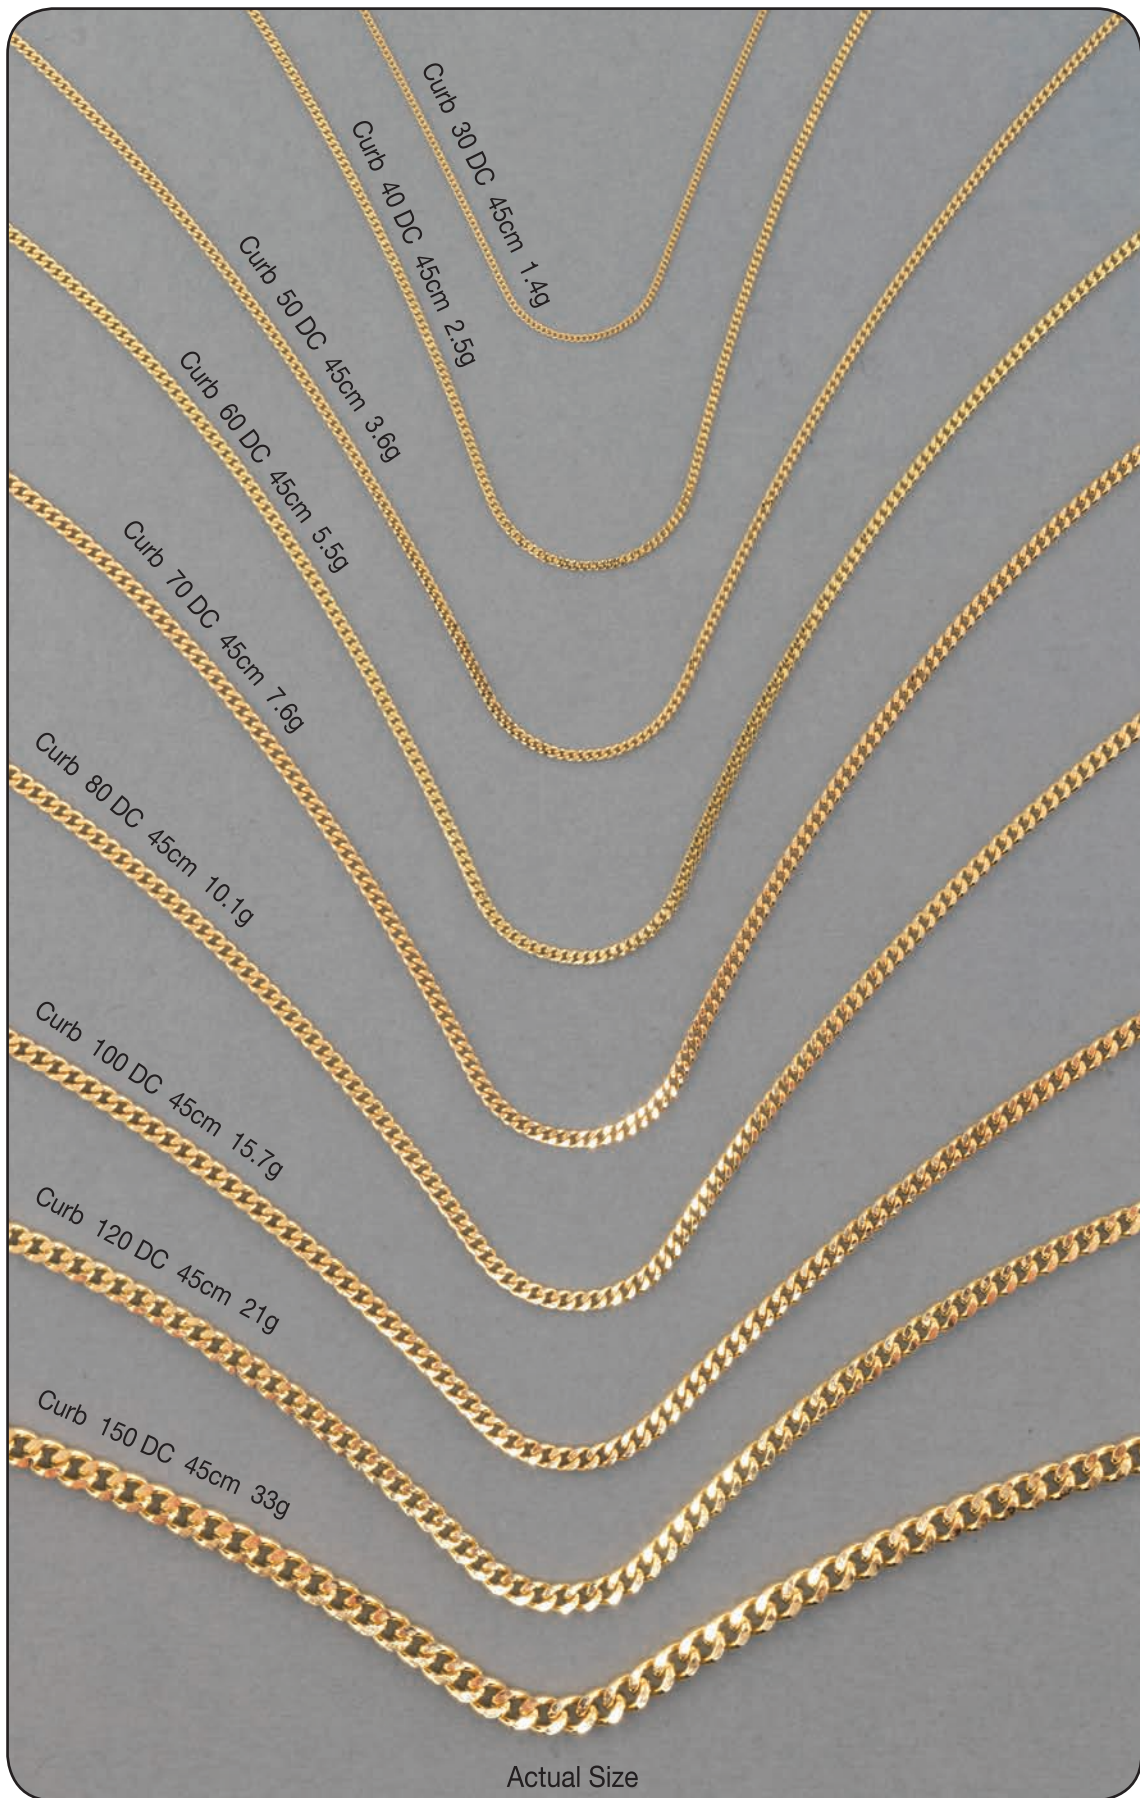

All products shown in any one of our catalogues can be produced in 9ct Yellow, White and Rose gold and 18ct Yellow and White gold and all weights listed are approximate only.

Contact us for quality products at the most affordable prices from an Australian owned and operated manufacturer.
